Welcome to the new School Year!

It was great to see everyone settling into their new classes last week.

We had a very creative week on the theme of 'Identity' and will be showing off everyone's art work soon.

Uniform

Thank you to everyone who has followed our new uniform policy, what a smart start to the year. Uniform is available from the school office - some sizes are

on order. If you are still not sure what our uniform is, information is on parkfieldschool.com.

Unfortunately, Covid19 is still with us. If you or any of your family members have symptoms, please get a test. Anyone who tests positive must isolate but children who have had contact with the person who is positive, or adults who have had 2 vaccinations, do not need to isolate. Please let school know if anyone in your family has a positive Covid 19 test.

Timings

Thank you for working with us while we found the best way to get everyone in and out of school now we can remove the cones!

Please remember that children must arrive at school between 8.45 am and 9.00 am and must be collected **at 3.20 pm**. Please make sure you pick up on time.

Community boxes

We are very pleased to still be offering Community boxes this term. These are free boxes of food collected

because it is surplus and then donated to us. Every week there is a mix of fruit, veg and other items. Anyone in the Parkfield Community who will find a box helpful can sign up when we send out a google form on Wednesday and then collect on Friday morning.
